Exxat Prism Accessibility Conformance Report

WCAG Edition

(Based on VPAT® Version 2.5)

Name of Product/Version: Exxat Prism (Student Module)

Report Date: March 25, 2025

Product Description:

Exxat PRISM is an all in one system that helps manage clinical education, curriculum mapping and compliance information

Contact Information: **kunal.vaishnav@exxat.com**

Notes:

1. The earlier VPAT was produced on October 01, 2024 and this is the updated version on March 25, 2025. This document supersede the earlier document.
2. The high contrast theme is provided specifically for better color contrast. The same can be accessed from the Settings modal post login.
3. Accessibility Improvement Process: We have diligently reviewed and addressed the accessibility issues identified within our application. We have made significant progress in enhancing the overall accessibility of our product, ensuring maximum accessibility for all users.
4. Ongoing Efforts: Our development team is actively working to fix any remaining accessibility issues. These issues primarily stem from the customization of Angular Material components. We acknowledge that these particular customizations have introduced accessibility challenges, and we are committed to resolving them promptly.

---

5. Prioritizing Accessibility Fixes: We recognize the importance of providing an inclusive user experience and are allocating dedicated resources to rectify the remaining issues. Our team is actively prioritizing the resolution of these accessibility concerns to ensure compliance with accessibility standards and guidelines.
6. Timelines for Issue Resolution: We understand the urgency in addressing these outstanding accessibility issues. Our development team is actively working on implementing the necessary fixes, and we anticipate resolving all remaining issues.
7. User Feedback and Testing: We greatly appreciate any user feedback regarding accessibility concerns. If you encounter any accessibility issues while using our application, please reach out to our support team or provide feedback through our designated channels. Your input is invaluable in helping us identify and address any accessibility barriers.
8. Commitment to Accessibility: We remain dedicated to providing an accessible user experience to all individuals. We understand the importance of accessibility compliance and are continuously working towards improving our product to meet or exceed the accessibility standards and guidelines set forth by regulatory bodies.

Evaluation Methods Used:

- Screen Reader assessment – Chrome + NVDA on Windows and Safari + VoiceOver on mac.
